RE: RECOMMENDATION LETTER ON RURAL OUTREACH FOR COMMUNITY EMPOWERMENT (ROCE)

Dear Sir / Madam,

It's with very great pleasure and privilege to write this recommendation letter on **Rural Outreach for Community Empowerment (ROCE)**. It's a national organization registered under the hand of Relief and Rehabilitation Commission (RRC) with the registration No: 5178 in South Sudan, Jonglei State and also has got a great recognition at county level of RRC and the higher authority in Uror County. **Rural Outreach for Community Empowerment (ROCE)** is also one of the organization dedicated to implements the following activities such as **Peace Building , Education, Livelihoods, and Health**. Therefore, the RRC office of Uror County is please to request to any donor to provide funds to this organization in order to be able to carry its own project activities in Uror County as it has started its operation just voluntarily. Eventually any funding / support that could be rendered to Rural Outreach for Community Empowerment by donor or any other else well – wishers, then it will constitute the success of the organization and perhaps would also benefits people of Uror County and as well as Jonglei State and South Sudan as Whole. However, I the RRC Coordinator urge you to put more attention on Rural Outreach for Community Empowerment.

I indeed encourage your credible for the acceptance of the assurance of my highest cooperation.

Best Regards

Gatwang Jokthiang Machar
