Subject: Recommendation to Rural Outreach for Community Empowerment (ROCE) Operation in Akobo County Jonglei State

Rural Outreach for Community Empowerment (ROCE) is being registered as Indigenous Organization working in Jonglei Since 2023 and abiding by humanitarian principles. ROCE has been recognized by the community of Jonglei state as the best indigenous organization whose services delivery are appreciated by the communities. ROCE who gives support to the vulnerable people and protect internally displaced person and has offer humanitarian assistance regardless of race gender, religion, nationality or political will.

Rural Outreach for Community Empowerment has been a key partner in support of displaced person, returnees and host communities and it has delivered services through Livelihood and food security, Peacebuilding and Education, WASH and Nutrition, and Environmental Conservative to the people who need it most.

AS RRC Coordinator for Akobo Who has overseen all the activities run by the organization, I fully recommend ROCE who is mandated to protect right of IDPs, returnees and host communities through any project of livelihood and food security, Education, Health and Nutrition and Environmental Conservation to work in every county in Jonglei where their fund fits to serves the community
